

MINUTE OF JURY SELECTION

Call for hiring a coordinator of the Advanced Imaging Unit, within the framework of the Scientific Employment Stimulus - Institucional Call – 2nd edition

On the 2nd May 2023, the selection jury formed by Doctor Caren Norden, Doctor Ricardo Henriques, Doctor Raquel Oliveira met to analyse the applications to the call for contract in the framework of the scientific employment stimulus - institucional call - 2nd edition funded by Fundação para a Ciência e Tecnologia.

The call was open from 06/04/2023 until 20/04/2023. The jury analysed the documents submitted in the applications.

1 candidate entered the competition: Dr. Gabriel G. Martins, who presented the necessary requirements having experience leading an advanced imaging unit, and extensive experience in sophisticated advanced light imaging across different systems, confocal, light sheet and super resolution. The candidate is a PhD holder.

Therefore, the jury unanimously decided to recommend the hiring of candidate Dr. Gabriel G. Martins based on his experience in Imaging and leading a team in that area. There being no need for an interview, the candidate was unanimously evaluated as follows:

Name	Full application	CV and previous experience (35%)	Motivation letter (30%)	Total (65%)	Final Mark (Conversion to 100%)
1 Gabriel G. Martins	Yes	90	100	61.5	94.6

The candidate was informed of the Jury's deliberations on the 10 day of May 2023. The candidate accepted the offer on 12 day of May 2023. Being this the only application to this call, the deliberations contained in these minutes are considered effective immediately.

There being no further business to discuss, the meeting for which these minutes were drawn up and signed by all members of the Jury was closed.
