

## MINUTE OF JURY SELECTION

Call for hiring a coordinator of a coordinator of the flow cytometry unit, within the framework of the scientific employment stimulus - institucional call - 2nd edition

On the 2<sup>nd</sup> May 2023, the selection jury formed by Dr Monica Bettencourt Dias, Dr Miguel Soares and Dr Marco Fumasoni, met to analyse the applications to contract in the framework of the scientific employment stimulus - institucional call - 2nd edition funded by FCT

The contest was open from 06/04/2023 to 20/04/2023. The jury analyzed the documents included in the applications. There was 1 candidate who met all the requirements: including extensive experience in flow cytometry, namely in sample preparation from different model organisms, previous experience in cell sorting, previous practice with BD equipment Bioscience and Cytex Biosciences, as well as experience in training, consulting, planning and running flow cytometry experiments.

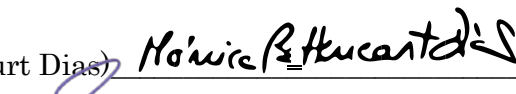

Therefore, the jury unanimously decided to recommend the hiring of this candidate. The application was evaluated as follows:

Name	Full application	CV and previous experience (35%)	Motivation letter (30%)	Total (65%)	Final Mark (Conversion to 100%)
1 Marta Monteiro	Yes	90	100	61,5	95

The candidate was informed of the Jury's deliberations on the 8<sup>th</sup> May 2023. In the absence of contestation by the candidates to the deliberations contained in these minutes, these are considered effective after 10 working days of the communication of the results.

There being no further business to discuss, the meeting for which these minutes were drawn up and signed by all members of the Jury was closed.
