

**OPENING OF INTERNATIONAL TENDER PROCEDURE FOR HIRING A LABORATORY TECHNICIAN
WITHIN THE FRAMEWORK OF THE PROJECT “Grant Agreement number: 101001521 —
LOFlu — ERC-2020-COG” DESIGNATED BY “CONTROLLING INFLUENZA A VIRUS LIQUID
ORGANELLES”.**

1. Within the powers delegated by the Board of Trustees of the Calouste Gulbenkian Foundation, the Trustee in charge of the Department of the Instituto Gulbenkian de Ciência authorized opening of an international Tender for the position of Laboratory Technician holding a Master Degree to carry out scientific research activities at the Instituto Gulbenkian de Ciência (IGC) facilities, in Oeiras, Portugal, under a fixed term employment contract, with a view to filling a vacancy within the scope of the project “Grant Agreement number: 101001521 — LOFlu — ERC-2020-COG”, with the title “Controlling Influenza A Virus Liquid Organelles”, financed by Horizon 2020.

The candidate to be selected will work in the laboratory of Cell Biology of Viral Infection (<https://gulbenkian.pt/ciencia/research-groups/mjamorim/>), directed by Maria João Amorim, being responsible for carrying out scientific research activities as a Laboratory Technician with the aim to control phase separated condensates formed during influenza A virus infection. The candidate will screen peptides able to bind to components of influenza A virus and will test their effect as antiviral approach using 2D cell-based systems and 3D cellular models (such as organ on chip models or organoids). Elected applicants will be supervised and mentored by the group leader Dr. Maria João Amorim and will execute experiments, acquire and analyze data, work with team members and present the work in conferences.

Scientific Area: Virology, Cell Biology, Microbiology, and Phase Separation.

2. **Applicable legislation:** Labour Code, approved Law 7/2009 of February 12th with the changes introduced by Law 93/2019 of September 4th and complementary legislation.

3. The tender selection panel will be as follows: President: Dr. Maria João Amorim; Members: Dr. Raquel Oliveira and Dr. Marta Alenquer; Substitute Member: Dr. Luís Teixeira.

4. The place of work is located at the Instituto Gulbenkian de Ciência, at Rua da Quinta Grande nº6, Oeiras, Portugal.

5. The employment contract will be for a fixed term under the Labor Code, starting on 1st of April of 2024, with a duration of 5 months.

6. Monthly remuneration to be paid corresponding to the level TRU17 of the Single Salary Table, approved by Order no. 1553-C/2008, of 31st December, updated under the terms of Decree-Law nº 109-A/2021 of December 7, on exclusive dedication.

7. Applicants to this Tender can be national, foreign, and stateless candidates who hold a master's degree in life sciences, physics, pharmacy or similar and have a scientific and professional curriculum evidencing an adequate profile for the activity to be carried out. If the master's degree was granted by a foreign higher education institution, it must comply with the provisions of Decree-Law no. 66/2018, of August 16 and of the Regulatory Ordinance No. 33/2019, of January 25, and all formalities established therein must be complied with until the date of signing the contract. In case the master's degree of the selected candidate does not comply with the Decree-Law above mentioned including all its formalities, the Selection Panel reserves the right to select the next best candidate.

8. **General tender admission requirements:** We are seeking for motivated candidates with a BSc and MSc, completed until the beginning of the contract, in biology, biochemistry, physics, or similar, in particular with knowledge characterization of protein: protein interactions, biochemistry, purification of proteins, or virology and a strong motivation to push projects. The researcher will purify viral proteins and look for peptides able to bind these viral components in collaboration with another international laboratory using phage display and yeast display technologies. High motivation in performing and analyzing experiments are expected. Candidates must enjoy interdisciplinary work, and to interact with team members and collaborators as well as learn and develop novel procedures.

9. **Evaluation criteria:** applications will be evaluated according to the Curriculum vitae (25%) Reference (10%) and the motivation letter (25%). If deemed necessary by the selection panel, the interview of the selected candidates will represent 40% of the final classification.

10. The decision is made by nominal vote of the selection panel members, in accordance with eligibility and selection criteria, with no abstentions allowed. The final results will be presented on a scale from 0 to 100.

11. Minutes of the panel meeting should be drawn up to include a summary of all occurrences of said meeting, as well as all votes cast by the members with the respective justification together with a sorted list of approved candidates with their respective classification. These minutes should be made available to candidates whenever requested.

12. The final decision of the jury is approved by the member of the Board of Trustees mandated for this purpose, who is also responsible for deciding on the hiring.

13. Application formalization:

13.1. Applications are addressed to the Director of the Instituto Gulbenkian de Ciência, and must be formalized to the email address igcpositions@igc.gulbenkian.pt, containing the identification of this tender, full name, number and date of the identity card, Citizen Card or civil identification number, tax identification number, date and place of birth, residency address including e-mail address and telephone number.

13.2. The Applications shall include all documents providing evidence for the conditions laid down in sections 7 and 8 for admission to this call (single pdf file named "Applicant Name_LOFluTech"), namely:

Financed by:

- a) Introduction letter explaining the motivation to develop the project and including a summary of relevant experience;
- b) Copy of certificate or masters diploma referring the relevant conclusion date (Master's degree must be obtained before the admission date);
- c) CV that includes the contacts of three references (name, position, mailing address, phone number and email address);
- d) Other documents relevant to assess the application and the capacity in the related scientific area.

All candidates (taxpayers in Portugal) are required to present evidence of fulfilment of their individual obligations towards the Portuguese Tax Authority and Social Security. Failure to comply with this requirement will be considered as a reason for exclusion from the selection process.

13.3. The period for submitting the applications to this Tender, is between 20/02/2024 and 17/03/2024.

14. All applicants who fail to submit their application correctly or who fail to provide the requirements imposed by this Tender within the dates indicated or who do not meet the legal requirements necessary to be hired under a term employment contract herein are excluded from admission. In case of doubt, the panel is entitled to request further documentation to support candidate statements.

15. False statements by the applicants shall be punished by the law.

16. The list of admitted and excluded applicants, as well as the final classification list, will be published on the Instituto Gulbenkian de Ciência internet site at <https://gulbenkian.pt/ciencia/>. The Applicants will be notified by e-mail with receipt of delivery of the notification.

17. Deadline for Final Decision and Claims: within a maximum period of 90 days, counting from the deadline for the submission of the applications, the final decision of the selection panel shall be announced. After being notified of the panel's decision, applicants shall have 10 working days to issue an opinion.

18. This tender is intended exclusively to fill this specific vacancy and can be terminated at any time until the approval of the final candidate list, expiring with the respective occupation of said vacancy.

19. The hiring decision may, by duly substantiated act of the member of the Board of Trustees mandated for this purpose, be revoked for reasons of strategic management, determined by the reorganization of the organic unit in question or by unforeseeable supervening circumstances at the date of approval of the list of final ranking of candidates, relating to the assumptions of the decision to hire and based on reasons of manifest public and institutional interest that justify it.
