European **MEDIA AND INFORMATION** Fund

MISSION

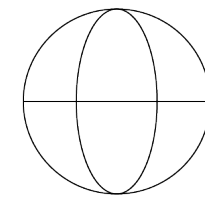

The Fund supports collaborative efforts to debunk disinformation, amplify independent fact-checking, and enable targeted research and innovation tools designed to strengthen resilience and the ecosystem's response to disinformation.

CONSTITUTION

Multi-donor by design, the Fund was constituted by Google's inaugural contribution of 25 million euros for an initial duration of five years (2021-26).

SCOPE

Funding is available to organisations based in European countries, including the EU, EFTA and UK, whose activities focus on the mentioned countries.

GOVERNANCE

The Management Committee is the decision-making body. It is chaired by the Calouste Gulbenkian Foundation and composed of three representatives, who validate all necessary measures to guide the Fund's activities, set methods of action, designate beneficiaries and approve grants.
