

ARMENIAN COMMUNITIES DEPARTMENT
CALOUSTE GULBENKIAN FOUNDATION
Project Grants
Requirements, Criteria and Conditions

General Overview and Priority Areas

The Armenian Communities Department of the Calouste Gulbenkian Foundation supports various cultural, educational, research and philanthropic projects that can have a positive impact on the Armenian world, be it in Armenia or in the Diaspora.

Project grants are open to all applicants (both individuals and organisations), regardless of nationality or country of implementation, as long as they pertain to Armenian themes and issues. Projects submitted must, however, fall within the scope of the Department's priority areas.

We strongly urge applicants to read the Department's [priorities](#) before submitting a project grant application. These are:

- 1. The Western Armenian Language**
- 2. Cultural Creativity Support in Armenian**
- 3. Research and Critical Engagement in Armenia**

Selection Criteria

The evaluation and selection of projects is made by a committee within the Calouste Gulbenkian Foundation. On occasion, external expertise is sought and references solicited (in accordance with European Privacy Laws). The evaluation process takes into account the following factors:

- The relevance of the proposed project to the priorities of the Department.
- The originality of the project, as well as its feasibility and sustainability.
- The potential impact of the project and if it offers any solutions to underlying problems or fills a specific niche.
- The financial and human resources needed to complete the project successfully (including an appropriate budget and a realistic timeline).
- The qualifications and track-record of the applicant(s).
- If the project includes any evaluation mechanisms.

Application Process

Applications must be submitted online. Before completing the online form, make sure to read the "Application Guidelines" document, also available on the Project Grants webpage in the documents section. Applications may be submitted in English, Armenian, French or Portuguese. If an application
